# Puzzle de PON!

You must stop the intrusion and protect the star signs of the zodiac. Be very quick because time is running out.

All of our astrological belief based on the powers of the positions of the stars and the planets is at risk.

**It won't be long till we have no souls !**

The screenshots show the game's interface with colorful stars, planets, and a character. The title screen features the text 'Puzzle de PON!' and 'PUSH START BUTTON'. The 'WIN! LOSE' screen shows a character and a large number '40000'. The 'HOW TO PLAY' screen shows a character and the text 'press the A button to fire a ball'. The 'ROUND CLEAR BONUS POINT 40000' screen shows a character and a large number '40000'.
